Welcome to St Edward's

Here are the ABC's of understanding what keeps the church faithful to its Christian confession and growing into the future.

A – the church holds to the **apostolic** teaching, rather than the newest idea or fad.

B – the church **believes** that Christ is the only way to God and only solution for our sin (Jn 14:6). All roads do not lead to God; only the path which Jesus trod will get us there.

C – that men and woman are called to **confess** their sin and be baptised as a sign of their repentance and new life from the Spirit.

D – the church is **dedicated** to sharing the gospel with those who do not know that God is alive, real and present in this world and wanting people to come to him to find eternal life.

E – the church is intentional about **equipping** the saints for service, mission and ministry. Christians need training and this takes time and money. It must always remain a focus of a local church if it is to be renewed. It requires growing new leaders in order to grow the congregation.

(Exodus 34:6)

Prayer of the day

**Almighty and everlasting God,
